We Deliver High-Capacity Machines

FREE Delivery and Installation

Providing White Glove delivery and installation by highly trained experts to ensure there is no disruption to your business during the process.

Healthy Drinks & Snacks Service

- INCREASE wellness for your location.
- PROMOTE the choice to eat healthy for employees, guests or students.
- NOURISH the mind, body, & soul with healthy snack & beverage options

Free Vending Machine Services to:

Offices	Educational Facilities
Hospitals	Athletic Facilities
Hotels	Military Installations

Providing your location wellness benefits.

Independent Owner & Operators

Local owners are trained to operate, service, and maintain presentation of the Healthier4U Machine in your location. Product selections are customized to the location's needs, as well as reviewing requested products.

Online Inventory Reporting

Local owners have remote access to the machine to indicate when attention is required. iVend Sensing Technology indicates when and what products are needed for replenishment. NO MORE EMPTY SLOTS!

Credit/Debit Card Acceptance

All Healthier4U machines feature Credit/Debit cards readers to allow for cashless and easy payment.

- Visa
- Mastercard
- Apple Pay
- Google Wallet

Free Product Sampling Events

Our operator will come to your location and offer free samples of these healthy products. Once your people have tried these great tasting and good for you products they will be on the road to better health.
